Federal Election Commission
Washington D.C. 20463
Attn: Sylvette Seay

Dear Ms. Seay:

This letter is in response to your letter inquiring about the goods provided to federal candidates in the Amended November and December 2007 reports.

The lists provided for \$10,000 to requesting Presidential campaigns were 940+ names of the Wyoming Republican Precinct people at a cost of approximately \$10.60 per name, above the usual rate for mail lists.

The amount was decided by a vote of the Wyoming Republican Party Central Committee in September of 2007 and was charged to all campaigns equally.

If you have any further questions or need more information, please do not hesitate to contact the party.
